

Memory: Where's My Match?

Audience: Food Handlers

Objectives: Review key terms and concepts for foodservice safety and sanitation.

Materials:

- Memory cards

Time: 20 – 30 minutes

Preparation: 2+ people

Activity: Shuffle cards
Lay out all cards face down
Each player takes turns turning over two cards
Player must “Match” corresponding cards
For example: Ice and Ice Scoop

If a match is not made, cards must be returned to face-down and the next player continues
Players continue their turn as long as matches are made with each play

Discussion: Encourage discussion during each “match”, offer clarification and reinforcement as needed.
